Kathy, you are so missed, still find it hard to believe that you are not here anymore. I think about you everyday and wonder why you had to leave so soon. You are the only person that I have ever known that could make me laugh and cry at the same time. I am really going to miss your crazy witty ways that brought me so much joy and laughter over all these years. You're one of a kind.. I Love You Kathy. Keep em laughing..

Kathy meeting you was one of the better moments in my life. I knew you were a special person the day I walked into the video store as a new employee. Who would have thought after all these years you would have been a big part of my family and a great friend. My kids adored you. I will miss your face, but you left me and my family with lots of wonderful memories. You will always be in my heart. May you Rest In Paradise Love You always Jo Ann Canales and family
