I just wanted to share a memory. When I first met George he was just Alex & Danny's dad, but he really became my friend almost like having a second dad. We always had the craziest conversations about life and what was and how far we have traveled to get to where we are happy and content. I know George was already at peace with what was to come. I will truly miss him. Angie Kennedy

George "Pops" was such a sweet man always very kind to me and my girls. He would always give me big hugs and tell me "mija it will be ok" Pops would sit there with trinity and he would let her ask him a million questions and he would just converse with this 4 year old and smile at her with those big brown eyes, so hard knowing your gone and I wont see you at Bubba and Sherrys anymore it breaks my heart but I know you are at peace and in a much better place now. You will be missed pops always we love you and tell my mommy up there that i send my love.... Love Lil Candy
