Mary Solorio Palencia

JUL 31, 1924 - JUN 5, 2014

Mary Solorio Palencia, an irreplaceable wife, mother, sister, grandmother, and great grandmother.

Mary was born on July 31st, 1924 and passed on June 5th 2014 peacefully in her home with family members by her side. A life long resident of San Bernardino, Mary enjoyed shopping, sewing, crocheting, being with family and day-to-day activities around her home. Mary was an avid reader and always had an answer for everything. When grandchildren visited she awed them with stories of the past. She enjoyed speaking of her husband of 70 years, Joe H. Palencia. She is survived by her five children, thirteen grandchildren and two great grandchildren. Although she is no longer with us, her memories will last forever. We love you.

There will be a viewing on June 16, 2014 from 4PM-9PM at Preciado Funeral Home, with a Rosary at 6PM. There will be a Mass the next day, Tuesday June 17 at 11AM. Mary will be laid to rest after Mass at Montecito Memorial Park in Colton, California.

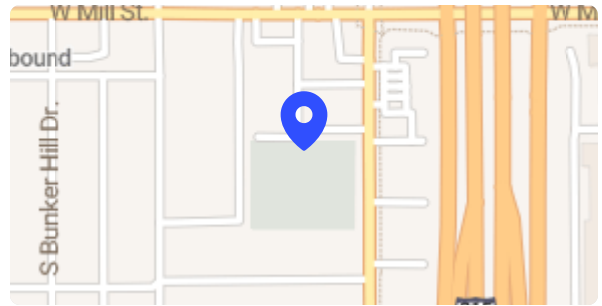

Events

My Aunt Mary was my godmother or Nina (Madrina). I will always remember her beautiful smile and heart warming laugh. Whenever I would see her, she would always greet me with a nice smile and say a nice compliment like "You look so handsome!". I recall that whenever she would have a conversation with her mom or with her sisters, she would talk a mile a minute and use the expression, "Imagine! (Imagine that!). A few years ago she and Uncle Joe (Nino) came to my daughter's housewarming party. They had such a good time talking with Lupe, Lucille and Sukie that she joked that they should spend the night in Andrea's loft. She always seemed to enjoy herself at family gatherings. I also remember that she and Uncle Joe always talked about their trips to different casinos to gamble. . She was always very fashionable and photogenic. She was a beautiful person both inside and out. We will miss her very much. Love, Gabby and Maggie

My grandma Mary was the light of every room she was in. Her voice soothed our souls, it was the best part of our childhood to listen to her tell elaborate stories of our family mythology. Grandma show her love to everyone who talk to her. She is an amazing woman, and although I will miss her and my grandpa greatly they're both final whole again. Dancing their days away with each other.

Grandma, I miss you so much. I still can't believe your gone. Our only comfort is knowing that your suffering is over and that your reunited with Gramps. Every memory is so special and so many etched in my heart. Thank you for everything you have been and will continue to be for our family. As you always said in cards you and grandpa gave me "love you so much it hurts" we all love you so much it hurts. We miss you grandma. You will always and forever be in my heart. Love, Justin

One of my personal favorite memories was spending your 70th wedding anniversary with you and grandpa Joe, on the most perfect sunny San Diego day at La Jolla beach. I hope that you dance eternally with Grandpa Joe to your favorite songs. I pray the family finds comfort and strength in knowing you are back in the arms of your soul mate, your true love and that you are both free of pain. I imagine the look on your face when Grandpa Joe embraced you, to welcome you home and it brings me peace. You will be missed, I know there will not be a day you are not thought of and you will live eternally in the hearts of all of us. Love you Grandma Mary!

Now that your journey here with us is complete it's with sadness that we remember you. I will miss you greatly. When I remember you I will think of the beautiful young girl with some much love in your eyes pictured with Joe. When I remember you I will see the beautiful young women in the pictures with Sonny and will always be impressed with your courage while Joe served in WWII. When I remember you I will understand the challenges and the love it took to raise such a wonderful family. When I remember you I will be always inspired to have a loving marriage that lasts through eternity. When I remember you I will be grateful that I met your wonderful daughter Joni. I will remember your dignity, courage and grace in your final days. Thank you for welcoming into your family. It was truly an honor to know you. Alfonso Mena
