A life is hard to say goodbye to but it is not a farewell. Lord has chosen an angel to side by him and no grieve no more. We wait as we shall one day reunite in the grace of God and past family members. The reality of hope will guide our hands back to them with warm hugs. Words can only comfort the void but our deepest condolences in this time of such hardship and we pray everyday through the word of our Lord. ..amen

My mom always had her door open for everyone to listen and show all her love to everyone, but as our mother she took time to show us how we were important to her and tried to protect us from anything bad i love you mom but i know you are now resting and not in pain
