## **Mr Rick Gilbert Gabaldon**

AUG 27, 1960 - APR 23, 2017

**R**ick Gilbert Gabaldon entered this life on Saturday, August 27, 1960 in San Bernardino, California parents Gilbert & Emily Gabaldon. He passed on to eternal life on Sunday, April 23, 2017 in Fontana, California.

Rick could be described as a man's man, who loved the great outdoors. In his early days, he moved up north to Washington State, where he found himself taking part in one of time's earliest and most valued professions, a lumberjack. He enjoyed his time as a lumberjack, but eventually made his way back to San Bernardino so he can start his loving family. The year was 1982 when he welcomed his first child Kimberly, followed by Lisa in '84, and Steven in '86, and lastly Jordan in '90.

Rick was a member of the 1st Assembly of God in Colton. He was known by all to be a happy go lucky individual, who had a big heart. However it was his family who always came first.

Rick Gilbert Gabaldon is survived by his daughter Kimberly Gabaldon; sons Steven and Jordan Gabaldon; grandchildren Lexi Jiminez, Landon Jiminez, Logan Jiminez, and Nicoli Gabaldon;

Memorial Service to be held Monday May 15, 2017 – 4PM at Colton First Assembly of God Church located at 450 W. Citrus Street, Colton, California.

The last 5 years I got to know you alot more , while you were helping Lisa with her cancer treatment. You're love as a Father, Grandpa, Son, Brother and Uncle shined through during this time. The way you took care of Lisa and the kids. Always putting others first before yourself. Always making sure Grandma was taken care of , even when you were sick yourself. Your love for my Mom and Dad and your special relationship with them gave me lots of joy. Even if it was just you sitting on the couch at my Moms and you'd be messing with my Dad. Lastly as an Uncle you stood out. We didn't grow up close but these last few years getting to know you were a huge blessing to me. I looked forward to your morning texts telling me you loved me and were praying for me and my family. You made me laugh everytime we spent together, up until your last days this didn't change. You left an imprint on my heart. I love you and miss you. ❤️

Uncle Rick I have some of the craziest memories with you when I was younger, you were always fun and up for any adventure. No matter what you kept it real with everyone. Giving and caring is how I will always remember you tho.. you would try to give the world to anyone even if you didn't have much at the time. A very loving father and grandpa and what I admired most was the son you were to your momma, always caring for her and loving her 😭 .. I will forever miss you uncle and I know your resting in Heaven with your baby girl ❤️ Love you
