My uncle was a kind hearted and funny man. He and my aunt took care of me, my mom and my siblings when we hit rock bottom. When everyone turned the other way, they went out of their way to give us everything we need. And more. I'll always be grateful for what he did for us. I'll never forget the way he showed us compassion. His memory is etched onto our hearts always. I love you uncle Raul.

Daniel & I had the pleasure of meeting Raul when Daniel fixed a light fixture in his backyard a couple of months ago. Raul was kind, funny, and very determined to fix this light on his own. He was so gracious and sweet to us for the time we were there. I also met Raul at the visitation of my grandmas funeral. He was there with Tina showing their love & comfort. He was a kind soul that will never be forgotten. We were blessed to have met him and are sending out our love & prayers to Tina and the rest of the family. Rest In Peace Raul. -Daniel & Andrea White
