The Avilas were my second family when I was growing up. I spent a lot of my childhood in Ron and Della's home. Ron was always working through a huge stack of books. When I was in college, I realized how diverse, intelligent and thoughtful his book selection always was. I remember how proud Ron was when Gilbert and Timolynn made him a grandfather. How proud he always was of Celeste. Rest in peace, Ron. You were cool and interesting and complex. Wishing all of your loved ones comfort and peace as they learn to live without you.
