Our hearts are filled with sorrow upon the news of the passing of Doug. Knowing that we've been able to be a part of his life how ever brief, makes us realize that we're blessed to have shared in it. Doug had a beautiful soul, full of love and faith which will forever remain in our hearts. May care and love of those around you provide comfort and peace to get you through the days ahead. We are praying that God gives your family the comfort and peace that you seek, and know that you are remembered in our thoughts and prayers. Aunt Louise and cousin Mark Milford Bluefield, WV

One of my best memories I have of Doug my father-in Law is playing XCom UFO. He introduced me to that Computer game back in 1994. We played for hours and I continue playing till this day. Doug always got a kick out of beating me in Football too. He was such a nice guy to me and I will miss him. Rest in Peace Doug.

My proudest memories start off from childhood I'll never forget the long Dreadful drive from LA to Mountin Lakes boy it was painful having that ice chess on the top of my legs For two hours of city traffic and then another hour just to get out to San Bernardino from the city Don't you dare piss dad off He'd reach right back and pinch the crap out of your leg and then promise a Ass kicking when we got to The campsite And then After two hours of trying to set up the tent dad would be frustrated walk off for a smoke because he didn't read the instructions once everything was in order it was like nothing ever happened and we were in paradise for a weekend that always felt like a month lots of great memories as a family Learning how to fish with my dad meeting new friends finding tadpoles Swinging off of ropes into Lakes And thanks to you dad your kids and grandchildren get to experience the exact same thing I am proud to say you made me the man I am today thank you for being so tough on us it made me unbreakable love you give my brother and everyone else a hug for me until I see you all again

The fondest memory I have of my dad is when I was a little girl he would always ask me to make him a ice cream sundae and boy did I ever! That smile it put on his face and chuckle I got from him when I brought him the huge bowl of ice cream, I will never forget. Thanks for all the great memories dad. I love you and miss you profusely every day that passes. You will always be forever in my heart. May you rest in peace. Love Ofelia

I remember the first time I had the pleasure of meeting Mr Douglas Worrell. Teresa had made plans to go have lunch with her Father Doug, and she wanted me to meet him also. He Wanted some Bbq that day we went to Dickey's BBQ and got some food for him. We had a blast that day, he will be missed. He showed me that day that he loved his daughter very much and was happy to see her. I will miss Mr Douglas even though I called him Ray a few times. We will see each other one day again, till then hope you are at peace.

I remember the first time I met Doug . He was welcoming and friendly. Here stood this tall man and as we spoke ,I could sense his gentle spirit. I remember looking into his beautiful eyes and thinking this is a man with a lot of knowledge . We talked like we were two friends catching up on life. In the end, I remember walking away from our conversation keeping his eyes and spirit in mind and saying to myself " He would make a great santa" ☺ I didn't see him often ,but I know he was the best grandfather to my great nephews and nieces and will be missed. Thank you for your kind spirit Doug.
