Jessica - Isaacs

JAN 15, 1994 - JUL 14, 2021

Jan 15, 1994 is when Jessica Macias was born the youngest of 4 siblings Mayra, Alberto, Marcelino Jr. Her parents Marcelino and Marta Macias . Jessica grew up in a family who is very close and very loving. She made sure all her cousins felt her love. She was always so full of energy and getting into trouble but always so determined. In high school she joined the Fohi Softball team where met her second family. She made friends there that would be with her throughout the rest of her life. High school is also where she met the love of her life John Isaacs. These two have a love story for the books. She would fly across the world to be with him visiting him in Japan because that's where he was stationed at. They got married and she became Mrs. Isaacs but Jessica's most important role on this earth was to be the best mommy to Johnny. She loved her son so much. She was always with him taking care of him. They moved to Rhode Island to start their new lil family. They were there for four years maybe a little more. But she made sure to come back home any time there was a special occasion. Jessica made sure to keep in touch with everyone. Jessica was the best Aunt to her nephews Yeyo and Lino her nieces Kamila and Karla. She had so much love for all her other nieces and nephew too not just on her side. She had so much love for everyone and truly touched so many people with her huge smile. She was just a people person always making new friends at her last job they gave her the nickname of the Rhode Island girl and they all remember her as being so nice and sweet person. She was really looking forward to being in her best friends Lucia's wedding as he maid of honor and a brides maid to her cousins Victor and Elizabeth's wedding. But best belief that she will be watching from where she is at. Jessica took a piece of all of our hearts with her and it will not be complete until we meet again. She is our Angel who will take care of us. Keep smiling down on us throwing up your peace sign Sister we love you

Jose Deana Borbon lit a candle in honor of Jessica.

What's up Boss Man! Even though you worked for me for a short period of time you would always call me Boss Man at family gatherings. Something I will truly miss!

Jess, with a heavy heart we write this. ❤️ Thank you for all the memories you left us! From just hanging out at family's home, to kickbacks, to dodger games, to concerts, to parties. I still remember you being the first person I met when I first went over to meet Victor's family! & I always thought how lucky Víctor was to have grown up with a cousin like you! & I felt so lucky to have experienced so many memories with you in these past 10 years that I've been around and I felt lucky to have a prima like you! ✨ Víctor & I sometimes are still in shock, we think about you on the daily, we listen to songs that remind us of you, we play videos or pictures that keep your memories in our heart! ❤️ Our wedding is around the corner and as it gets closer our hearts get heavier! But we also know how much you loved us! How you would tell me Víctor was so lucky to have someone like me and how dumb he was if he ever let me go! ❤️ I still replay how you would practice the toast you were gonna give at our wedding, "Buenas tardes soy Jessica la Prima y quiero compartir la memoria de cuando Elizabeth vino por primera vez a la casa de Víctor y yo estaba ahí, y tuve que ir hacer cockblock porque me mando mi Tía." & we would start laughing! 😂 But deep down we know you'll be there watching us on our big day, cheering us on, & happy for us! 🙏 We love you prima! We Miss you! Till we meet again! ❤️ ✨ 🙏 -Elizabeth & Víctor! ❤️

Jessica, we had some of the sweetest talks about becoming a mom. I remember letting you know you would be the best mom because you had such a loving and caring heart. We shared that everyday was a learning process, learning what a beautiful gift was to become a mom. Jessica you are missed so much. The love you gave to everyone is treasure and cherished in our heart. You are loved forever sweetheart.

So Many fun memories, it's so hard to say goodbye. Thank you for all the laughs we shared! The dances we had. The girls night that we had, was one of my favorite days ever! We laughed the night away! Watching you become such a great Mommy, seeing the beautiful kind hardworking woman you grew to be. You did amazing things. We had so many more memories to make... Prima I can't bring myself to say goodbye ❤️ I'd rather say watch over us all and always stay with us in spirit ✨ Until we meet again 🕊️ May you rest in eternal paradise 🙏 Love you always - Rafa, Gabby, Rafita, & Emma
