When I got my first bartender job at American, legion 155 Frank, was the first member I met. During our conversation it took interesting twist. One of my close friend threw jr. high and high school etc.etc. was his daughter BrendaR.I.P. At that moment Frank, smiled and told me. Well, your close with my daughter. That makes you my adopted daughter. That's how I can see what a wonderful man he is. Over the years working at 155 and seeing and talking to Frank and Terry there was never a time they didn't remind me I was thier adopted daughter. I will and always miss Frank (my step dad) I will see you again. R.I.P. My deepest condolences to the family. With love „Nonnie Lechuga
