“ We have many fond memories of Robert. He had a heart of gold. He was an equal partner in parenting...always willing to roll up his sleeves and be an active dad. He was a loving husband who adored his wife. He was taken far too soon.

“ Robert and I always had a great time working together and I enjoyed our conversations immensely. I have thought of Robert and Summer so many times since I moved to Washington and wish I could meet their beautiful little daughter. I am so sorry for what has happened to your wonderful family and pray that peace and comfort will return to you.

“ My best memory of Robert "Dante" as we called him many moons ago is from our trip to Las Vegas. It just so happened to also be the weekend of my 30th birthday. We were sitting in the eating area of one of the casinos and everyone started to meow the birthday song to me right at midnight of my birthday. It was an embarrassing but fun night. I will always remember that birthday and his wonderful smile. He was a special person and will always have a special place in my heart. My love and prayers go to his family. He will be greatly missed. Love to Summer and Savanah from "kittykitty".

“ Although I only met him once, I used to speak to him almost daily when he would call for his wife at the office. He was always the sweetest individual. My heart goes out to his family.

“ When my family and I moved to Highland in 1986 Bobby was the first boy my son met. My daughter says he was in front of our house before the truck was even unloaded. I don't remember exactly how soon he showed up, but I remember he was such a nice polite young boy. He became my sons best friend for many years. He and my son plus a few other friends loved to paint ball..He stayed at our house. My son stayed at his house. Sometimes Bobby would walk in and say "Hi Mom, How are you doing today?". He was funny and was always respectful. I remember when he started dating Summer, his face would light up when he talked about her and he'd get this little grin on his face. I am heart broken over his tragic death and I am sending my prayers to his parents and Brother..Sending prayers and strength to Summer and Savannah..I hope that Savannah can somehow remember how very much he adored her....Adella Kelley
